

RAW

Hello

Welcome to the RAW Summer newsletter.

Lots has been happening over the last few months. We no longer have a Bedfordshire County Council but now have a Bedford Borough Council and a Central Bedfordshire Council. So in a nutshell we are 2 small authorities. This has meant that a lot of you have had to change Social workers to fit in with the new authorities.

We really hope that the work of the RAW group will continue and we will be able to share our knowledge and experience. And be able to support new groups in both areas. Sharon has continued to work with the RAW group and will support you all whilst things are changing.

Both Councils will need to develop Children in Care Councils and we will need to know your views and wishes on how things are for you.
